Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Attn: Licensing and Review

DECLARATION IN RESPONSE TO
OCTOBER 16, 1989 NOTICE PURSUANT TO 42 U.S.C. §2182

- OK
H
1. We, the undersigned, Wayne A. Border and Erkki I. Ruoslahti who are named as coinventors on the above-identified application;
 2. We are citizens of the United States and reside at 4464 Abinadi Road, Salt Lake City, Utah 84124; and P.O. Box 1054, Rancho Santa Fe, California 92067, respectively;
 3. The invention described and claimed in the above-identified application was made in the course of work performed by us on behalf of the La Jolla Cancer Research Foundation in the city of La Jolla, California, and The University of Utah in the city of Salt Lake City, Utah. The work was not funded by the United States Atomic Energy

Commission or its successors: Energy Research and Development Administration or the Department of Energy. Similarly, the invention was not made or conceived in the course of, or in connection with, or under the terms of any contract, subcontract or arrangement entered into with or for the benefit of the United States Atomic Energy Commission or its successors: Energy Research and Development Administration or the Department of Energy;

4. We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
